Professor Emeritus of Electrical Engineering

Pierce Hall  
Cambridge, Massachusetts

August 20. <sup>th</sup> 1934

H. H. Henkle  
Secretary A. J. E. E.

Dear Mr. Henkle:

I write you Mr. Kennelly to acknowledge your letter of Aug. 16, containing the notes of his re-appointment as representative of the A. J. E. E. on two Committees.

Mr. Kennelly has been ill and is still unable to attend to technical matters. But I am hoping that before long he will be able to write you, and I shall then call his attention to these matters.

Very truly yours,

(Mrs. A. E. E.) Julia S. Kennelly.

Mr. Farrow,

Dear Mr. Henline

The copy of the resolution,  
adopted by the Institute in memory  
of my father, and which you so  
very kindly addressed to me,  
was most welcome. I was  
much touched.

Sincerely yours  
R. Grace Kennelly
