Mr. Bobby G. Strait, Chairman

Dear Mr. Strait:

We are pleased to advise that all concerned have approved the petition requesting establishment of the LOS ALAMOS Section (formerly the Los Alamos-Santa Fe Subsection of the Albuquerque Section) on May 29, 1975. The territory of the new Section will encompass the following:

Counties, New Mexico:

Colfax	Mora	Taos
Harding	Rio Arriba	Union
Los Alamos	San Miguel	

Santa Fe - except the towns of:
Edgewood - Zip 87015
Stanley - Zip 87056

The IEEE Bylaws provide that each new Section, within six months of establishment, shall prepare and submit Section Bylaws to the Regional Director for approval, with a copy simultaneously sent to Headquarters. The enclosed sample Bylaws may be used as a guide in preparing your Section Bylaws. We refer you to IEEE Bylaw 402.5 (copy enclosed) which outlines the items to be included in your Section Bylaws.

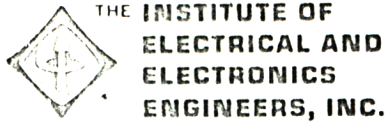

We wish you success in the future operations of the new Section. If we can assist in any way in your activities, please let us know.

Sincerely,

Emily Sirjane, Manager

Dear Sirs:

The Albuquerque Section of the IEEE supports the petition of the Los Alamos Subsection of the IEEE in their application for section status. Because of the distances involved in New Mexico, more IEEE members should be able to participate in local section activities by forming the new section. We understand the Los Alamos Subsection has obtained the required signatures from members residing in the area for the change in Section status.

Sincerely,

A handwritten signature in blue ink, reading 'Charles W. Gwyn', is written over the typed name.

Dear Mr. Strait:

We wish to acknowledge receipt of your letter of March 25 and the petition requesting approval for the change in status of the Los Alamos-Santa Fe Subsection of the Albuquerque Section to full Section. The new Section will be called the LOS ALAMOS SECTION and will encompass the following proposed territory:

Counties, New Mexico:	Colfax	Rio Arriba
	Harding	San Miguel
	Los Alamos	Taos
	Mora	Union
	Santa Fe - <u>except</u> the towns of:	
	Edgewood	(Zip 87015)
	Stanley	(Zip 87056)

The petition has been checked and found to contain the valid signatures of 53 members who reside within the proposed Section territory.

As soon as we receive a letter from the Albuquerque Section agreeing to release the territory to the new Section, and the written approval of the petition by the Regional Director, Carleton A. Bayless, we will be pleased to submit the request to establish the new Section to the Regional Activities Board for formal approval.

Dear Sir:

The Los Alamos/Santa Fe subsection of the Albuquerque IEEE Section has been effectively functioning as a Section for several years. We therefore, wish to apply for Section status. Enclosed is the required petition with over fifty members signatures on it. A separate letter is being sent from the Albuquerque Section approving the formation of the new Section within their Section. Mr. Chuck Gwyn, Chairman of the Albuquerque Section, is sending the letter.

The new Section will be called "Los Alamos IEEE Section" and if approved we will abide by the IEEE Constitution, Bylaws, and published interpretation of policy.

Mr. L. C. Hedrick, Mgr.

Dear Lang:

Thank you for your letter of June 5th bringing us up-to-date as to the status of the Montana Section, the Butte Section, the Los Alamos-Santa Fe Sub-section, the Antelope Valley, San Fernando Valley and South Bay Harbor Sections. Ray Banks has already written me information on South Bay Harbor, and we have heard separately from Antelope Valley.

I am passing on all this information to Emily Sirjane. As you realize, of course, Emily watches over the details of Section activity and merely alerts me when the activity falls below the level set in the Bylaws. She will keep in close touch with the situation and will keep you and me currently informed.

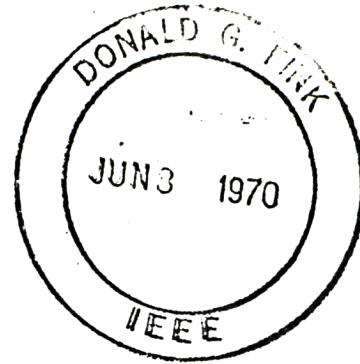

Best regards,

Donald G. Fink, General Manager

Dear Don:

In response to your letters of May 27th regarding failure of various Sections and Subsections to hold an adequate number of meetings I report the following.

I talked last night to Paul Uhlrich, new Chairman of the Montana Section, (he resides in Bozeman which is in the Helena Subsection.) The Student Branch at Bozeman is very active and there appears to have been some breakdown in the reporting system as regards meetings of the Montana Section and Billings Subsection. Uhlrich will make an effort to retrieve the data and make reports, but he is brand new in his job and obviously is not on top of it at this moment.

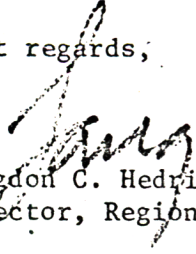

He and Bob Leo, Secretary/Treasurer of the Section, have already had one meeting with Beardslee and Gregg, outgoing officers of the Butte Section, and are already planning to meet with the officers of the other Subsections in order to stimulate an active year for 1970-1971. The Bylaws of the Section presently call for a calendar year operation, but in fact the Section operates on a June-to-June year and I have recommended that they alter the Bylaws to conform to their current practice.

I talked to John Lamb, Chairman of the Los Alamos-Santa Fe Subsection and they had one meeting last year which was a flop. Things are so bad at the Subsection that there were not even enough members active to make up a nominating committee last year with the result that Lamb has apparently served two years. John has agreed to do some poking around to see if he can revive interest in the Subsection and has promised to get back to me before the end of this month. My personal opinion is that the Subsection should be shut down but I must wait for Lamb's response before making such an overture to R.A.B.

I will get to Ray Banks for assistance on the Antelope Valley, San Fernando Valley and South Bay Harbor Sections and will try again next week to reach the Section Chairmen.

I shall keep you posted.

Best regards,

Mr. Langdon C. Hedrick

Dear Mr. Hedrick:

The IEEE Bylaws provide that failure of a Subsection to maintain the required activities, which shall include the holding and reporting of at least five technical meetings each year, shall place the Subsection on probation. The Section Chairman, the Subsection Chairman and the Regional Director shall be informed of the probation by the General Manager.

I call to your attention the fact that the Los Alamos-Santa Fe Subsection of the Albuquerque Section has reported no meetings for the calendar year 1969.

Your advice on the current status of this Subsection and its plans for activity in 1970 would be appreciated.

Dale Land

Dear Mr. Land:

Congratulations! On behalf of the IEEE Executive Director, T. W. Hissey, Jr., it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the Computer Society Chapter of the Los Alamos Section has been formed. The effective date of this Chapter formation is December 21, 1995.

At this time we are recording you as the Interim Chapter Chairman. When an election has been held, please use the enclosed Officer Confirmation form to report the officers to IEEE. If we can assist you in any way in the planning of the Chapter activities please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,

Cecelia Jankowski
