Dr. David K. Cheng

Dear Dr. Cheng:

On behalf of the IEEE Executive Director, Dan Senese, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the change in status of the Power Engineering/Industry Applications/Power Electronics Societies joint Chapter of the Hong Kong Section has been approved. The Chapter will now be the Industrial Electronics/Power Engineering/Industry Applications/Power Electronics Societies joint Chapter of the Hong Kong Section. The effective date of this Chapter change is 24 October, 2001.

At this time we are recording you as the Chapter Chair. When an election has been held, please use the enclosed Officer Confirmation form to report the officers to IEEE. If we can assist you in any way in the planning of the Chapter activities please let us know.

We extend our best wishes for the successful operation of this Chapter.

IEEE Hong Kong Section.**

Dear IEEE Power Electronics Society Members,

13 Nov., 96

I am Dr. Bryan M.H.Pong, the chairman of the IEEE PES/IAS Joint Chapter in Hong Kong, and I am also a Power Electronics Society member. In view of the growing interests in Power Electronics in Hong Kong, I proposed to form the Hong Kong IEEE Power Electronics Society as a joint chapter with the present PES/IAS joint chapter. The three societies have a lot of common interests, and it would be resourceful to have the talents in these fields grouped together and jointly promote the technology. This idea was endorsed by the PES/IAS executive committee at the meeting on the 29 August 96. We need the support of local Power Electronics Society members in order to form the joint chapter. Please support your society by signing on the table below.

If you have any queries please do not hesitate to contact me. Your support is much appreciated and your future participation is even more important.

Yours sincerely,

## **TO CHANGE THE STATUS OF AN EXISTING CHAPTER**

The status of an existing Chapter may be changed from single to joint, or vice-versa, or from one joint combination to another without submission of a petition. The change in status will become effective following approval of the change by the Regional Director, the Society Presidents and the involved Section Executive Committee(s).

1. A written request, with full details on the proposed change in Chapter status, shall be submitted by the Section Executive Committee. This request should include the name and address of the Organizer of the restructured Chapter who will act as its Chairman, and be sent to:  
IEEE FIELD SERVICES  
Section/Chapter Support  
445 Hoes Lane  
P.O. Box 1331  
Piscataway, New Jersey 08855-1331
2. Action will be taken by Field Services staff to obtain approval of the change in status by those concerned.
3. When the necessary approvals have been received, the Section Chairman, the Chapter Organizer, the Regional Director and the Presidents of the Societies concerned will be notified.
4. The Chapter formation will be noted in the Report of the Staff Director at the next meeting of the Regional Activities Board.
