**RE: Section Reassignment – Eastern Shore Section to Delaware Bay Section**

Dear Member:

As a result of boundary reorganization, your Section assignment has recently changed. Until recently, you were a member of the Eastern Shore Section. Now, as a result of this reorganization and based on the preferred address on your IEEE membership record, you are now a member of the Delaware Bay Section.

This change will make no difference in your membership status or service. You will continue to receive *IEEE Spectrum*, *The Institute*, your Society publications and subscriptions as before.

However, your new Section will be notified that you are now a member and you should begin to receive information from them about local IEEE activities. If the Section publishes a newsletter, you should begin to receive that newsletter in about 6 weeks.

If you would like more information about contacts within your new Section's leadership, or prefer to be affiliated with a Section adjacent to your new Section, please contact us at 732-562-5518 or email to [sec-chap-support@ieee.org](mailto:sec-chap-support@ieee.org).

Thank you for your continued membership in the IEEE.

Sincerely,

Tracy Hawkins, Manager  
Section/Chapter Support
