July 26, 1917.

Mr. T. C. Martin, Secretary,
National Electric Light Ass'n.,
29 West 39th Street,
New York, N. Y.

Dear Sir:-

I am attaching hereto a copy of a letter received from one of our members, asking for copies of papers read before the National Electric Light Association and this Institute, on the subject of Transient Electrical Phenomena. We should be glad to have you communicate directly with Mr. Stigant, and send him a list of any papers presented by the N. E. L. A. in which you think he would be interested.

Very truly yours,

Secretary.
