Professor Fang Yong

Dear Professor Yong:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray, it is a pleasure to inform you that the requirements of the IEEE RAB Operations Manual have been met, and the IEEE Shanghai Section has been approved. The effective date of this Section formation is 26 June 2006.

The IEEE Section's boundaries are defined as: Shanghai Municipal District

We have recorded you as the interim Chair. When an election has been held, please report the names and member numbers of the new officers to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>.

The following Technical Chapters will be re-assigned to the Shanghai Section.

- Shanghai Section Chapter, BT02 (Broadcast Technology)
- Shanghai Section Chapter, CAS04 (Circuits & Systems)
- Shanghai Section Chapter, ED15 (Electron Devices)
- Shanghai Section Chapter, SSC37 (Solid-States Circuits)
- Shanghai Section Chapter, LEO36 (Laser & Electro-Optics)

In celebration of this Section formation, RAB has agreed to provide \$2,000 USD to your Section. These funds are to be used by your Section in support of IEEE related activities. These funds will be kept in an IEEE Custody Account that has been established on behalf of your Section. IEEE Custody Accounts are holding accounts available to those Sections in Regions 8, 9, and 10 which have difficulty exchanging currency to pay for membership and other services at IEEE. You will receive information regarding this account in a separate message.

Professor Fang Yong

In subsequent years, your Section will receive funding from the Regional Activities Board on an annual basis, provided that the required reporting is submitted: (1) Current Officer Report (2) Annual Financial Report and (3) Meeting Activity Report. For more information on required reporting, please go to <http://www.ieee.org/scsreports>.

You will find additional information to assist you and your fellow Section volunteers on the Section/Chapter Support web page <http://www.ieee.org/scs>. A Section Officer training program is available at <http://www.ieee.org/officers>.

Membership growth is important for a Section's vitality. We highly recommend that you identify a volunteer to be responsible for your membership development activities. IEEE will provide critical support to help you meet your membership goals. Your Section will receive a Membership Recruitment Kit containing IEEE membership brochures, applications, and other promotional materials. The kit will also include a membership development manual, where you will find best practices and tactics for coordinating successful, local recruitment and retention initiatives. Resources for membership development can be found at <http://www.ieee.org/md>.

Please contact Regional Activities Section/Chapter Support staff if you need additional assistance (sec-chap-support@ieee.org).

We extend our best wishes for the successful operation of this new Section.

Sincerely,

Cecelia Jankowski

Dear Professor He:

Congratulations! On behalf of the IEEE Executive Director, Dan Senese, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the Circuits and Systems Society Chapter of the Beijing Section (Shanghai) has been formed. The effective date of this Chapter formation is 11 February, 2002.

At this time we are recording you as the Interim Chapter Chair. When an election has been held, please use the enclosed Officer Confirmation form to report the officers to IEEE. If we can assist you in any way in the planning of the Chapter activities please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,
