Professor W. J. Vetter

Dear Professor Vetter:

We are pleased to note from your March 17 letter that the newly-established Newfoundland-Labrador Subsection will be holding an election of officers next week.

Just as soon as the names of the Officers are reported to us, we will send the Subsection Chairman and Secretary a copy of the IEEE Section Manual.

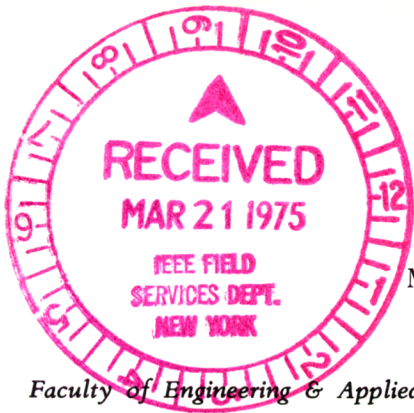

The IEEE Bylaws do not require Subsections to establish Bylaws, but there is no reason why a Subsection cannot adopt Bylaws which they feel will be useful for their operating guidelines. Enclosed is a copy of the IEEE Bylaws, where you will find, under items 402 and 404 (on pages 18-19-20-21) details on Section and Subsection operations. Also enclosed, for your information, is copy of the Bylaws adopted by the Canadian Atlantic Section which could be used as the basis for preparing your Subsection Bylaws.

If we can be of further assistance, please let us know.

Sincerely,

Emily Sirjane, Manager
Field Services
